Walton chronologically explores the series, with details on every 3 Series platform, including the E21, E30, E36, and E46. The engineering of each platform is described and evaluated. The book also features coverage of the M3, both as it performs on the street and on the race track. Guidance on iden A guide to Mac computing essentials showcases the updated features of OS X, covering installation, integration, applications, networking, and troubleshooting. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. Poetry. "I am spending my 39th year practicing uncreativity. On Friday, September 1, 2000, I began retyping the day's NEW YORK TIMES word for word, letter for letter, from the upper left hand corner to the lower right hand corner, page by page." With these words, Kenneth Goldsmith embarked upon a project which he termed "uncreative writing", that is: uncreativity as a constraint-based process; uncreativity as a creative practice. By typing page upon page, making no distinction between article, editorial and advertisement, disregarding all typographic and graphical treatments, Goldsmith levels the daily newspaper. DAY is a monument to the ephemeral, comprised of yesterday's news, a fleeting moment concretized, captured, then reframed into the discourse of literature. "When I reach 40, I hope to have cleansed myself of all creativity"-Kenneth Goldsmith. Consumer guides & advice. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Contains "Records in review." The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. James Piazza is a Western New York-based archivist and music historian. He developed a series of multimedia presentations on experimental music, ambient sound, archival techniques for digital audio, and lectures on personal media servers for large file libraries. His primary goal is to create a greater public understanding and awareness of 20th century music and sound. Piazza founded Innerspace Labs as an independent music archive chiefly communicating with the public via The Innerspace Connection music blog. He manages a library of over 300,000 soundworks focusing on ambient and experimental recordings. This book comprises the first 12 years of our publications showcasing highlights of the Archive, as well as select previously unpublished works. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
