Acting for the Camera: Back to One is a "how to" book with practical steps to achieve a professional performance on camera. The book focuses on four distinct areas: how to prepare the character, how to execute the technical responsibilities that will assist the editor in creating the on-camera performance in post-production, tips from industry professionals, and how to create effective self-tape auditions. Part One: The Character's World is packed with tools to analyze the script and fully prepare the character before arriving on set. Part Two: The Actor's World focuses on developing technical acting skills for the camera that assist the pre- and post-production teams to create a dynamic on-screen performance. In Part Three: The Professional World, industry professionals provide tips from inside the film/TV audition room and how to navigate a career in the acting business. The final section, Part Four: Self-Tape Like a Pro, outlines how to build a self-tape studio in the privacy of your own home and submit high-quality self-tape auditions that will help you stand out from the competition. Written for students enrolled in Acting for the Camera courses, Acting for the Camera: Back to One explores techniques that can be practiced and mastered by actors of all levels, from the moment they audition for the part through to when they hear that director call "cut!" Understand the business side of your showbiz career We all know acting can be a glittering whirl of glamour—plush red carpets, simply divine outfits, huge sums of money, and oh, the parties! But what a lot of wannabe actors forget is that it takes a lot of practical work to get to the flashbulbs of your first premiere, and that the savviest actors put as much stress on the business side of the profession as they do on the show. Breaking Into Acting For Dummies demystifies the behind-the-curtain side of showbiz to help you understand how it really works, who the decision-makers are, what they're looking for when they're picking talent, and how to get them on your side. If you truly want to be the next Emma Stone or Leonardo DiCaprio, you'll want to have a well-thumbed copy of this book alongside your pile of scripts. Written by two friendly insiders, this guide takes you behind the scenes to help you map out your plan of attack, showing you how to open doors—and keep them open—and use your time wisely, so you're not breaking a leg rushing from one random audition to another. You'll understand how to flesh out your professional persona as thoroughly as a movie part, craft your resume as minutely as a script, and judge the angle of your headshots and webcam appearances as intimately as any director. Once you've mastered these skills, it's time to go to market as your own publicity department, building your media and online presence until everyone who's anyone knows exactly who you are. Understand different acting markets—from theater to commercials Network in-person and online Build your image via resumes, head shots, and webcam Keep a firm grip on the financial side Whether you're studying, a hopeful amateur, or have been treading the boards for a while, this is your breakthrough script for succeeding in the business of acting, and for learning how to play your ultimate role: yourself. First published in 2003. The Theatre Arts Audition Books offer one hundred speeches from

plays of the past twenty-five years, fifty in a volume for men, fifty in a volume for women. Each excerpt is preceded by a note situating the play and the selection. Speeches come from a wide range of plays, including David Mamet's *Oleanna*, Caryl Churchill's *Serious Money*, Martin McDonagh's *The Beauty Queen of Leenane*, Jim Cartwright's *Road*, and Timberlake Wertenbaker's *Our Country's Good*, as well as plays by Anthony Minghella, Mark Ravenhill, Sue Townsend, Alan Ayckbourn, and others. Annika Bluhm has assembled two sparkling collections of monologues that will challenge and inspire the actor *The Science and Art of Acting for the Camera* provides a precise yet practical approach to help unlock the mysteries of acting for film and television. Written by veteran actor, producer, and director John Howard Swain, the book offers a clear-cut, no-nonsense technique that equips aspiring or working actors with the necessary skills to succeed on camera. The technique teaches you how to build multi-dimensional characters; construct truthful and exciting relationships; ignite stimulating emotions; craft a series of discoveries guaranteed to energize your work; and much, much more. The book also provides instruction for actors working in commercials—from slating, to the dreaded "tell us about yourself" interview, to nailing "the tag" and embracing the cliché—and supplies sample commercial copy for students to practice. The casting director for *Chicago*, *Pippin*, *Becket*, *Gypsy*, *The Graduate*, *the Sound of Music* and *Jesus Christ Superstar* tells you how you can find your dream role! Absolutely everything an actor needs to know to get the part is here: What to do that moment before, how to use humour; create mystery; how to develop a distinct style; and how to evaluate the place, the relationships and the competition. Acting & Auditioning for the 21st Century covers acting and auditioning in relation to new media, blue and green screen technology, motion capture, web series, audiobook work, evolving livestreamed web series, and international acting and audio work. Readers are given a methodology for changing artistic technology and the global acting market, with chapters covering auditions of all kinds, contracts, the impact of new technology and issues relating to disabled actors, actors of colour and actors that are part of the LGBTQIA community. Struggling with sight reading in auditions? This book holds all the important tips for a successful sight reading audition and contains all the tricks to improve on your sight reading! Furthermore, this book contains several practice excerpts, as well as real excerpts from a wide range of composers, such as Mozart, Stravinsky, Bartok, Dvorak, and much more! Every actor knows that working in commercials is lucrative. But many actors, trained primarily for working on the stage, have mistaken ideas about this field and lack essential on-camera experience. Now in an updated and expanded edition, Acting in Commercials is the only resource that fills all the gaps in the performer's knowledge of this demanding medium. Invaluable for its insight into the craft as well as the business of acting, it tells you how to prepare for commercial auditions and, once you've landed a job, how to deliver the most expressive on-camera performance—leading to more work and success in a competitive field. Author Joan See illuminates all the secrets she has learned while appearing in hundreds of commercials over the past thirty years. She shows you how to approach five distinctly different commercial forms and explains the specific acting techniques to employ in each. In fact, Acting in Commercials will take you beyond commercial work, sharpening all your acting skills for a broader film and television career. This guide for actors and directors develops a valid method for training performers to act from their core--whether they are cold reading, auditioning, or performing for film or television. This book teaches actors how to achieve and respond to believable and honest emotions before the camera, and it maintains that the key to a successful performance lies in how the actors relate to one another and to the circumstances. Exercises, including script examples, throughout the book give readers an easy resource for practicing the principles outlined. The Art of Film Acting applies a classic stage acting method (Stanislavsky) to the more intimate medium of performing before a camera, teaching readers to experience an emotion rather than to indicate it. In Act Like It's Your Business: Branding and Marketing Strategies for Actors, Jonathan Flom helps actors and others in the arts understand the power of branding. This guide walks the reader through the process of creating a personal brand for his or her small business and then marketing that brand and broadcasting it through every step of the process—from choosing clothing, arranging headshots, and designing resumes to selecting a repertoire, building a website, obtaining business cards, and networking. The book also offers advice on such real-world issues as goal-setting, finances, contracts, and day jobs, as well as provides insight and guidance on how to approach agents, auditions, and casting directors. Structured logically and step-by-step, this accessible guide will become the standard for nearly anyone hoping to build an enduring career in the performing arts. Musical theatre is a tough and over-crowded industry. Yet, despite the huge competition, many performers find auditioning difficult with little knowledge of what the directors, creative teams and producers are looking for, or how to win the panel over with their unique talent. As a leading international casting director, Neil Rutherford has seen thousands of hopefuls audition over the years. Uniquely, he also understands what it is like to audition from his years as a professional actor in musical theatre. This book provides a unique perspective on the musical theatre audition process and how to improve the chances of

landing a role. With wit, humour and insight, Neil Rutherford guides the reader through the crucial elements of musical theatre auditions, opening up the process of casting and auditioning to the thousands of hopefuls trying to secure work in this industry every year, as well as anyone involved in musical theatre. With a foreword by Tony-award-winning director Bartlett Sher, the book also contains contributions from some of the world's leading directors and musical directors, including Sir Richard Eyre and Jerry Mitchell, adding further valuable insight from those at the centre of the musical theatre world. This book is a vital tool for anyone hoping to improve their audition chances and survive in the world of musical theatre. The easy-to-use handbook Get the Callback: The Art of Auditioning for Musical Theatre offers practical advice on all the facets of auditioning, walking the reader step by step through the audition process, explaining what to expect, how to behave, and how to prepare for a winning audition. It also coaches the actor through the ins and outs of pursuing a career in musical theatre. Through his professional and teaching experience, Jonathan Flom presents the material in an easily accessible way. Get the Callback proceeds chronologically through the audition process, beginning with finding auditions and reading and interpreting casting calls. Flom discusses many facets of preparation, including selecting songs and monologues to suit your voice and the audition, organizing and arranging your music, working with the accompanist, and presenting yourself to the directors. He gives a detailed description of the actual audition performance and even offers advice on how non-dancers can survive a dance audition. The book includes valuable information on callbacks and how to field job offers, providing advice on contracts and negotiations. Further information on getting professional headshots, designing a quality resume, and writing winning cover letters is also included, each with examples. Unique to this volume is a chapter on auditioning for college training programs. The book concludes with three appendixes: a list of recommended dos and don'ts, and two lists of appropriate audition repertoire by genre and by actor type, as well as a glossary of terms. "This volume offers strategic approaches to auditioning for women, men, and non-binary actors of the global majority. It provides a fresh approach from the perspectives of two directors of color who are also actors working in theater, film, and television"-- A network daytime casting director highlights the difference between the craft of acting and the business of auditioning, and how those two worlds meet in television. Included are proven-effective preparation techniques, including asking the right questions, making specific acting choices, sitting versus standing, finding beats and beat changes, using spontaneity, and much more. Also included are interviews with top daytime casting directors and actors, advice on headshots and resumes, and an examination of the difference between audition preparation and theatrical preparation. For the first time in print, Craig Wallace presents his revolutionary on-camera audition technique. Readers will learn to use their unique strengths to skillfully deliver fearless, job-getting auditions! Combining current information, lessons and advice, this clear, concise and encouraging book is essential reading for today's actor, as well as those looking to improve their speaking and presentation skills. Audition Success presents a groundbreaking method that has already made Don Greene one of the country's leading audition trainers. Combining specially designed self-tests and real-life examples from the careers of two performers, Audition Success will help performers understand what prevents them from nailing an audition and give them the tools to reach their goals. "All the elements of preparing a monologue audition - script analysis, staging, voice, timing, gesture, movement and self-presentation skills - are thoroughly explored here. The goal of the book, as Ms. Kohlhaas states in her Introduction, is not only to help you prepare for auditions, but to make working on monologues a regular and enjoyable part of your acting life. As you follow the author along the path she charts, you are not only learning to rehearse monologues effectively, you are learning to turn auditions into exciting ways to grow and challenge yourself as an actor."--BOOK JACKET. The video game industry has experienced explosive growth over the past decade, and with that, opportunities have increased for actors to work in the medium. But these new opportunities bring up questions -- Where do you start? How is the process different than acting for film or television? What are casting directors and developers looking for? What skills do you need to focus on to succeed? Julia Bianco Schoeffling, a voice and performance capture casting director, has seen the industry from every angle, and knows exactly what can make or break an actor's career in games. She pulls from over a decade of experience working on iconic franchises like Call of Duty, The Last of Us, Gears of War, and more to give you a blueprint

for navigating this lesser-known industry. You'll learn everything you need to know to break in, including: - The history and the basics of the video game industry - The ins and outs of unions, contracts, and NDAs - Basic gear to get started on a home studio - Best practices for your video game demos and auditions - The process from audition to booking - Tips on performance and motion capture Written in an approachable and informative style, *The Art and Business of Acting for Video Games* gives you the skills and tools that will set you apart in the audition pile.
